## Foundation Update

We hope you all had the chance to explore and even bid on the incredible items featured in our annual Silent Auction, which ran from February 14th through February 21st. As one of the most anticipated fundraising events for the Legacy Foundation, we were thrilled by both the volume and variety of donations we received this year.

We're excited to share that every bid placed in the online auction contributes to your Region's progress in the "Race to Stake Your Claim" campaign. Stay tuned for the results, which will be announced in our next monthly newsletter!
